

# BACKGROUND CHANGE

Aim-

To change background colour of a website

Procedure-

- Select the frame or artboard you want to modify.
- In the properties panel on the right, find the **Fill** section.
- Click the color box next to **Fill** to open the color picker.
- Choose a color, gradient, or select the **Image** option to upload an image.
- Adjust the background settings, such as scale or position, if using an image.

**RAJALAKSHMI**  
**ENGINEERING COLLEGE**  
An AUTONOMOUS Institution  
Affiliated to ANNA UNIVERSITY, Chennai
